

Church Planting Culture Committee Report

June 12, 2018

The committee met on 5/21/18.

Pastor Bruce gave a brief update. The neighborhood BBQ planned for HOP1 (Valerie's HOP) is to be rescheduled to sometime in the first two weeks of July. The various appreciation events for the teachers and staff at Continental School continue to be well received. It was decided that once a month the Culture Committee would join the Prayer Team in praying for our church planting efforts. Bruce plans to begin House of Prayer training after the 7/22/18 business meeting.

Howard reviewed the draft Madera Church Status Report format and content. It was revised, approved and will be used to update the Elders until the Madera Outreach Team is functional. They can then decide what format they want to use for routine reporting.

Howard explained that there were problems with the initial demographic reports received from Mission Insite and that they would be providing corrected versions shortly. The revised reports were received shortly after the meeting and sent to the committee with some suggested homework to do before the June meeting.

Howard shared that a church planting update report will be made at the 7/22/18 business meeting.

In His service,

Howard
