

Church Planting Culture Committee Report

April 10, 2018

The committee met on 3/27/18.

Pastor Bruce gave a brief prayer team update on the Continental School relationship. He has requested consideration for distributing Gideon Bibles and requests prayer for approval. Also pray for resolution to the issue of Good News Club children not being allowed to ride the bus home afterward because it is not a school club. Also pray for positive impact by the various teacher and staff appreciation events planned before the end of the school year.

Howard reviewed the changes to the General Approach for Church Planting as a result of the input from the Elders. The changes were approved and the revised document is to be given to the Elders on 4/10/18 for their approval.

Howard also reviewed, in detail, the draft Implementation Plan for Planting a Church in the Madera Communities. He will incorporate the recommended changes and present the plan to the Elders for input on 4/10/18.

In His service,

Howard
