

Church Planting Culture Committee Report

May 8, 2018

The committee met on 4/24/18.

Valerie Carlisle was welcomed to the committee.

Pastor Bruce gave a brief update. The 3 Houses of Prayer and the church at DelCornado continue to thrive. The staff and teacher appreciation event at the Continental School prior to Spring break was well received. Two more appreciation events are planned before school ends this month. The transportation issue for the children who attend the Good News Club has been resolved. As our church planting plans are approved, the Prayer Team will have more specific topics to pray for.

Howard reviewed the changes to the Plan for Planting a Church in the Madera Communities as a result of the input from the Elders. The changes were approved and the revised document (Rev 2) was sent to the Elders for their review prior to their 5/8/18 meeting. The committee also determined which of the initial steps in the plan could be begun in anticipation of plan approval and who would start them.

In His service,

Howard
