

# *The Miracles of Multiplication*

Pastor Bruce Van Sickle

**Multiplication: The Dictionary definition is as follows:**

**Noun – the process or skill of multiplying – combining matrices, vectors, and other quantities under specific rules to obtain their product.**

1. It was a \_\_\_\_\_, \_\_\_\_\_ day for Jesus.
2. Jesus has a \_\_\_\_\_ idea.

**God's Multiplication Table is not our Multiplication Table!**

This miracle gives us cause to pause to remember that in every circumstance, we are to \_\_\_\_\_.

If there is a need, and you and I are to be the \_\_\_\_\_ and \_\_\_\_\_ of Jesus, are YOU a part of someone's miracle today?

But what was different?

1. One was \_\_\_\_\_, and one was \_\_\_\_\_
2. Different \_\_\_\_\_
3. Different \_\_\_\_\_
4. Different audiences – \_\_\_\_\_ and \_\_\_\_\_
5. Different numbers of \_\_\_\_\_
6. Different \_\_\_\_\_

Some will need feeding physically – but ALL need feeding spiritually.

All we know about the boy, the loaves, and the fishes is this: 'God had the boy there with this small amount for a greater purpose. Christ is never in need, but He has somebody at hand to supply that need. Have faith in the providence of God.' Charles Spurgeon

**God's multiplication table is NOT our Multiplication Table.**

1. Jesus was showing the world that He was \_\_\_\_\_
2. Jesus was showing both \_\_\_\_\_ and \_\_\_\_\_ that He would provide for them in the breaking of the bread.
3. Jesus was setting an example for them, and for us, to follow in giving thanks, even with a \_\_\_\_\_.

Give everything to Him and 'give thanks in ALL circumstances for this is God's will for you in Christ Jesus.' 1 Thessalonians 5:18

What do you hold in your hand today?

Are you willing to give it to Jesus to use as He sees for the Kingdom of God?
